WASHINGTON, DC, February 22, 2017 – **The National Hellenic Society** (NHS) is proud to announce its collaboration with **National Geographic** as co-producers of the ten-part digital series, *The Greek Guide to Greatness* (GGG). The collaboration is unprecedented, co-branding NHS with the world renowned National Geographic. NHS strives to be a beacon to for the promotion, appreciation, and celebration of Hellenic heritage in the United States. NHS is a steward of this legacy of democratic values and ideals that needs to be passed on to the next generation and shared with mainstream audiences.

The Greek Guide to Greatness is a view of the modern world through an ancient past as their wisdom and knowledge unfolds in a compelling way that only a partner like National Geographic can present. Several of the world's leading historians, scholars, and archaeologists have come together to make the once elusive past accessible and easy to understand. It is comprised of ten three to four minute episodes, each ranging on a wide range of specific topics from athletics to science.

Additionally, **National Geographic Education**, through its partnership with **Cengage Learning**,
